

# Easy Peasy Patriotic Bites

## You need:

Graham crackers

White frosting

Red and blue m&m's

## To make:

**First**, break the graham cracker in half so you have a square.

**Next**, frost each graham cracker square with white frosting. Be generous so the m&m's will stay in place.

**After that**, count out 4 blue m&m's and place them in a square in the top left corner of the graham cracker square.

**Next**, make stripes using the red m&m's.

**Finally**, eat!
