

Take off your left shoe and shake it out-
sand, sand, lots of sand,
pots of sand.

Take off your right shoe and shake it out-
sand, sand, buckets of sand,
truckloads of sand.

Take off your left sock and shake it out-
sand, sand, piles of sand,
miles of sand.

Take off your right sock and shake it out-
sand, sand, fountains of sand,
mountains of sand.

Dump out your pockets,
thump out your pockets.
It's blowing sand,
it's snowing sand,
and look in your sun hat:
SAND!
